Application of Wisconsin Gas Company, as a Gas Public Utility,
for Authority to Construct a Natural Gas Pipeline in Jefferson,
Waukesha and Washington Counties, from Ixonia to Wisconsin Gas
Company's Gate Stations in Brookfield and Germantown

6650-CG-194

SUPPLEMENTAL NOTICE

On November 30, 1999, WGC filed an application with the Public Service Commission of Wisconsin (Commission) for a certificate to construct a natural gas pipeline in Jefferson, Waukesha and Washington Counties, Wisconsin (WGC lateral). On December 14, 1999, the Commission issued a Notice of Proceeding, Investigation, and Assessment of Costs, Hearing and Scheduling Order.

WGC filed a supplement to its application with the Commission on January 7, 2000. The supplement described a new route alternative, called the "WEPCO reroute." This new route alternative would potentially affect landowners that would not have been affected by the route alternatives included in the original application.

The Commission's December 14, 1999, Notice included a procedure to request status as a party to this proceeding. That Notice stated:

Currently, the only party to this proceeding is Wisconsin Gas Company, 626 East Wisconsin Avenue, Milwaukee, WI 53202 ("Applicant"). Any other person desiring to participate as a party to this proceeding must file a request pursuant to Wis. Stat. § 227.44(2m). Such requests must be in writing and filed with the Commission and served upon the applicant no later than noon on January 5, 2000. Applicant and Commission staff may serve and file a response to any such request no later than January 12, 2000.¹ The requester may serve and file a reply no later than January 17, 2000. Requests for participation and further scheduling will be decided by Administrative Law Judge Jeffry Patzke and may be reviewed by the Commission.

¹ Subsequently, the dates for filing responses and replies were moved to January 14, and January 19, 2000, respectively, by the Administrative Law Judge in a letter dated January 11, 2000.

Landowners along the WEPCO Reroute alternative have not had the opportunity to request status as a party, as the application supplement identifying those landowners was filed with the Commission after the date requests for party status were due. Consequently, **the Commission will extend the due date for requests for party status for landowners located along the WEPCO Reroute identified in WGC's January 7, 2000, supplemental filing.** Such a request shall be filed pursuant to Wis. Stat. § 227.44(2m), be in writing and filed with the Commission and served upon WGC no later than **noon on January 31, 2000.** WGC and Commission staff may serve and file a reply to any such request no later than **noon on February 4, 2000.**

All other deadlines, schedules and procedures identified in the December 14, 1999, Notice of Proceeding, Investigation, and Assessment of Costs, Hearing and Scheduling Order remain in effect and unchanged.

Questions regarding this matter may be directed to case coordinator Michael John Jaeger at (608) 267-2546.
